

ActivBoard 300 PRO Range

Experience.

Teaching is quite an experience. Learning should be too. The ActivClassroom has always been all-encompassing. Now, it's an all-in-one interactive, collaborative, multimedia experience designed to capture the imagination of any type of learner—from the auditory to the visual to the kinesthetic and everywhere between. The reason: the ActivBoard 300 Pro Range, a feature-rich interactive whiteboard that combines colour, motion and interactivity with integrated sound and Dual-User functionality.

Much more than your typical interactive whiteboard, the ActivBoard 300 Pro Range is a hub of activity. Built-in speakers and a discreet but powerful amplifier add stereo sound to any lesson. Fixed mount or motorised height-adjustable stands, short-throw projectors and a durable, classroom-ready surface mean everyone can come to the board—and the board can come to any classroom. Dual-User capability is built in. And with ActivInspire Professional Edition software and access to tens of thousands of free lessons and resources at PrometheanPlanet.com, 21st century teaching truly culminates in a 360-degree learning experience unlike any other.
